VCA**

With this certificate Kiwa confirms that the SHE management system implemented by

RPS advies- en ingenieursbureau B.V.

meets the requirements of the Safety, Health and Environment Checklist for Contractors (SCC) version 2017/6.0 for the scope:

Data collection, processing, presentation, advice, design, implementation and supervision of integral solutions regarding assets in the built and natural environment, real estate, above and below ground, on and in water.

This includes the activities of batch inspection, soil investigation and supervision of soil decontamination and asbestos inventory.

On the themes of climate change, sustainability, health, safety, nature conservation, management and maintenance, energy transition and infrastructure.

NACE: 71.12
